FROM HTWPE'S REGUMENT.
CAM OSAGE, Denton County, Arb.,
August 29, 1602.
Entrony Hearthy—Agreeable to promise, Jeonyon few Homes of new, such as I have been able to gather. Heretofore, we have never been at a point where we could gre in an news of immortance. The

health of our Regiment is much better now than heretofore—there were 88 reported sick this morning, though none of a fatal character. There are no l'ederals in this immediato vicinity, at present. Occasion-

ally we are visited by their soonts, trying on to pry fate affairs here. The venerate Fedcials, of tary force, to us, are at Springfeld, which not compared since compared since of feld, which no compared since is a conmont, not were 6000 men. These is a constant buthwheeling warfare going on in Missoul. Since the passage of an are 1y the Federal Overment, for rating 600-000 men by datting, secored fills shoom an are pouring in every day from that Statt,

way or the other. Col. Cockiell and Col. Coffee, (both Missourians) struck into that State a short time ago, with a more handfull of men, and soon had a very founded.

ble force at their command. They met and defeated a large torce of Pederals, under Major Foster, on the 16th, at Lone Jack, in Jackson County, Missouri, killing 104 and wounding a large number. They also, expliced two fine pieces rifled 12 pounders from the tuemy. Our loss was 35 killed and about 70 wounded. The enemy were reinforced with a large force and compelledour forces to full back to beatonville, in this State. Col Cockrell brought his onptured guns, with 200 tounds of shell, with There will be notive steps taken in this direction soon. Gen. Hindman arrayed at Port Smith, 75 miles South of us, on Saturday last, on his way, it is said, to take

Saturday hat, on his way, it is said, to take command of this portion of the niny. I hope to say, as all up a require lan leader, to carry us into Missout. The way is epen to fond that State a helping hand, and I do think we ought to main disselves of 11 as early as possible. Gen, Ilaline is at Faytership, on his way up later, would be the work of the command. Col. Skelly mitted with 1,009 Missoutians yeleviday. They are commended to the condense of the state of the condense of the condense with the command. Col. Skelly mitted with 1,009 Missoutians yeleviday. They are commended to the condense of the condense wilks promitted. When anone. C. H. F.
